Nestled atop the mountains of Vestavia Hills and spanning over 176 acres, Vestavia Country Club offers a rich tradition of hospitality, recreation, and family-focus for all ages in a luxurious and hospitable atmosphere.

VCC began as a successful riding club in the late 1940s and opened to membership in 1950. It is regarded as one of the finest clubs in the Southeast for its finely manicured grounds, breathtaking views, extraordinary golf courses, and upscale facilities. VCC offers Members and their Guests resort-like experiences just minutes from home.

In order to preserve the traditions of Vestavia Country Club, as well as the traditions of the game of golf, the membership has adopted several policies that are designed to help ensure a pleasurable and relaxing golf experience.
